

## FAIR Research Data: Analysis-Ready Sentinel-1 and Sentinel-2 Data as a Standardized Web Service (WCS)

Florian Beyer, Jennifer McClelland, Tanja Riedel, Marvin Dierks, Heike Gerighausen, Markus Möller

- By coupling cloud platform **CODE-DE** and local **JKI Data Cube** infrastructure preprocessed and analysis-ready **Germany-wide Sentinel-1/2** data are provided as **OGC WCS** by indexing S3 buckets taking into account the **FAIR** principles.
- **WCS test users wanted:**
